APRIL 26, 2018

EXCEL FOR NURSES

Nancy Stephens and Amy Fox, RN

Learn how to use Excel to track Key Performance Indicators and forecast staffing expenses - add an extra day to the OR schedule and see the impact on the bottom line. Nancy Stephens will walk you through the formulas using our Excel tool and Amy Fox, Outpatient Surgery Director at Advanced Eye Surgery Center, will share how she uses it at her facility.

JUNE 22, 2018

GOT COMPLIANCE? A PHARMACIST'S INSIGHTS FOR SUCCESS

Greg Tertes R.Ph

ASC Pharmacist Consultants, Inc.

The regulations that cover medication usage, tracking and waste can be very confusing. This program will present guidance that will assist your facility to comply with the basics in pharmacy regulations, and many of the ways your pharmacist consultant can assist you.

AUGUST 24, 2018

INFECTION CONTROL RISK ASSESSMENT

Phenelle Segal, RN, CIC

Infection Control Consulting Services

The risk assessment addresses the facility's responsibility in defining areas of actual and possible failure of "best practices" that could potentially put patients and employees at risk for infection. This presentation will discuss the specific components of the risk assessment and how to ensure that each risk is well documented and prioritized in order of importance.

OCTOBER 26, 2018

ASK THE CLINICAL DIRECTOR/ADMINISTRATOR LIVE PANEL

Panel TBD

Are you a busy Administrator or Clinical Director at an ambulatory surgery center? Do you wear too many hats? Are you responsible for QAPI, Infection Control, Policies and Procedures, Medical Staff Credentialing, Human Resources, Inservice Training, etc.? We ask a live panel of real Clinical Directors and Administrators YOUR questions.

DECEMBER 21, 2018

LEADING FROM THE MIDDLE

Regina Boore, MS, BSN, RN, CASC

Progressive Surgical Solutions

Flat organizations tend to empower managers. ASC Clinical Directors who command the respect and support of their facility staff are able to shine in their management role. However their effectiveness as an organizational leader can be diminished by disengagement and a lack of leadership at the Governing Body level. "Leading from the Middle", is a leadership primer specifically developed for ASC Clinical Directors.
