FEBRUARY 22, 2019 11AM PT/2PM ET
LIFE SAFETY CODE
COMPLIANCE BLUEPRINT

John L. Crowder Jr., PG, CHFM, CFPS
Progressive Surgical Solutions

Life Safety Code compliance is imperative for your ASC. Join us to discuss life safety issues and a guide to achieving compliance for your survey, what you need to know for maintaining compliance, and a life safety blueprint with keys to success for upcoming surveys.

APRIL 26, 2019 11AM PT/2PM ET
DEVELOPING THE LEADER WITHIN
PART I

Laura Baldwin, RN
Terre Thomas

Today's complex healthcare environment requires effective leadership to support the goals and business outcomes of the organization, and most importantly, support excellent patient care. Join us to learn more about important core pillars of leadership and how these characteristics contribute to professional growth and organizational success.

JUNE 28, 2019 11AM PT/2PM ET
DEVELOPING THE LEADER WITHIN
PART II

Laura Baldwin, RN
Vanessa Sindell, MSN, BSN, RN

Bringing greater awareness to our individual energy allows people to more effectively inspire, motivate and influence themselves and others. Learn how each of us has the power to identify and shift our own energies to better serve our patients and co-workers and achieve greater satisfaction.

AUGUST 30, 2019 11AM PT/2PM ET
STERILIZATION BEST PRACTICES

Phenelle Segal, RN, CIC
Infection Control Consulting Services

Effective reprocessing of medical devices including instruments in the surgery setting is a key factor in prevention of transmission of infections. This webinar will provide in-depth guidance for reprocessing medical devices, including high-level disinfection and sterilization. The presenter will highlight the importance of following manufacturer's instructions and nationally recognized guidelines and standards.

OCTOBER 25, 2019 11AM PT/2PM ET
DOCUMENTATION BEST PRACTICES

Crissy Benze, MSN, BSN, RN

Medical record documentation is so important! Regular audits should be performed on a quarterly basis with a compliance goal of 100%. This course is designed to review the fundamental concepts associated with the best practices of documentation to ensure your medical record documentation meets basic standards of practice and regulatory requirements.

DECEMBER 20, 2019 11AM PT/2PM ET
INFORMED CONSENT IN THE ASC

Debra Stinchcomb, MBA, BSN, RN, CASC
Will Miller

What constitutes an informed consent? Can a non-parental family member sign the consent form for a minor patient? What is the difference between a facility consent and a physician office consent? Learn the legal and practical issues related to informed consent in your ASC.
