Paycheck Protection Program (PPP) Loans

The program would provide cash-flow assistance through 100 percent federally guaranteed loans to employers who maintain their payroll during this emergency. If employers maintain their payroll, the loans would be forgiven, which would help workers remain employed, as well as help affected small businesses and our economy snap-back quicker after the crisis. PPP has a host of attractive features, such as forgiveness of up to 8 weeks of payroll based on employee retention and salary levels, no SBA fees, and at least six months of deferral with maximum deferrals of up to a year. Small businesses and other eligible entities will be able to apply if they were harmed by COVID-19 between February 15, 2020 and June 30, 2020. This program would be retroactive to February 15, 2020, in order to help bring workers who may have already been laid off back onto payrolls. **Loans are available through June 30, 2020.**

FREQUENTLY ASKED QUESTIONS

QUESTION: What types of businesses and entities are eligible for a PPP loan?

- Answer:
- Businesses and entities must have been in operation on February 15, 2020.
 - Small business concerns, as well as any business concern, a 501(c)(3) nonprofit organization, a 501(c)(19) veterans organization, or Tribal business concern described in section 31(b)(2)(C) that has fewer than 500 employees, or the applicable [size standard](#) in number of employees for the North American Industry Classification System (NAICS) industry as provided by SBA, if higher.
 - Individuals who operate a sole proprietorship or as an independent contractor and eligible self-employed individuals.
 - Any business concern that employs not more than 500 employees per physical location of the business concern and that is assigned a NAICS code beginning with 72, for which the affiliation rules are waived.
 - Affiliation rules are also waived for any business concern operating as a franchise that is assigned a franchise identifier code by the Administration, and company that receives funding through a Small Business Investment Company.

QUESTION: What are affiliation rules?

Answer: Affiliation rules become important when SBA is deciding whether a business's affiliations preclude them from being considered "small." Generally, affiliation exists when one business controls or has the power to control another or when a third party (or parties) controls or has the power to control both businesses. Please see [this resource](#) for more on these rules and how they can impact your business's eligibility.

QUESTION: What types of non-profits are eligible?

Answer: In general, 501(c)(3) and 501(c)(19) non-profits with 500 employees or fewer as most non-profit SBA size standards are based on revenue, not employee number. You can check [here](#).

QUESTION: How is the loan size determined?

Answer: Depending on your business's situation, the loan size will be calculated in different ways (see below). The maximum loan size is always **\$10 million**.

- **If you were in business February 15, 2019 – June 30, 2019:** Your max loan is equal to 250 percent of your average monthly payroll costs during that time period. If your business employs seasonal workers, you can opt to choose March 1, 2019 as your time period start date.
- **If you were not in business between February 15, 2019 – June 30, 2019:** Your max loan is equal to 250 percent of your average monthly payroll costs between January 1, 2020 and February 29, 2020.
- **If you took out an Economic Injury Disaster Loan (EIDL) between February 15, 2020 and June 30, 2020** and you want to refinance that loan into a PPP loan, you would add the outstanding loan amount to the payroll sum.

QUESTION: What costs are eligible for payroll?

- Answer:
- Compensation (salary, wage, commission, or similar compensation, payment of cash tip or equivalent)
 - Payment for vacation, parental, family, medical, or sick leave
 - Allowance for dismissal or separation
 - Payment required for the provisions of group health care benefits, including insurance premiums
 - Payment of any retirement benefit
 - Payment of State or local tax assessed on the compensation of employees

QUESTION: What costs are not eligible for payroll?

- Answer:
- Employee/owner compensation over \$100,000
 - Taxes imposed or withheld under chapters 21, 22, and 24 of the IRS code
 - Compensation of employees whose principal place of residence is outside of the U.S.
 - Qualified sick and family leave for which a credit is allowed under sections 7001 and 7003 of the [*Families First Coronavirus Response Act*](#)

QUESTION: What are allowable uses of loan proceeds?

- Answer:
- Payroll costs (as noted above)
 - Costs related to the continuation of group health care benefits during periods of paid sick, medical, or family leave, and insurance premiums
 - Employee salaries, commissions, or similar compensations (see exclusions above)
 - Payments of interest on any mortgage obligation (which shall not include any prepayment of or payment of principal on a mortgage obligation)
 - Rent (including rent under a lease agreement)
 - Utilities
 - Interest on any other debt obligations that were incurred before the covered period

QUESTION: What are the loan term, interest rate, and fees?
Answer: For any amounts not forgiven, the maximum term is 10 years, the maximum interest rate is 4 percent, zero loan fees, zero prepayment fee (SBA will establish application fees caps for lenders that charge).
QUESTION: How is the forgiveness amount calculated?
Answer: Forgiveness on a covered loan is equal to the sum of the following payroll costs incurred during the covered 8 week period compared to the previous year or time period, proportionate to maintaining employees and wages (excluding compensation over \$100,000): <ul style="list-style-type: none"> • Payroll costs plus any payment of interest on any covered mortgage obligation (not including any prepayment or payment of principal on a covered mortgage obligation) plus any payment on any covered rent obligation plus and any covered utility payment.
QUESTION: How do I get forgiveness on my PPP loan?
Answer: You must apply through your lender for forgiveness on your loan. In this application, you must include: <ul style="list-style-type: none"> • Documentation verifying the number of employees on payroll and pay rates, including IRS payroll tax filings and State income, payroll and unemployment insurance filings. • Documentation verifying payments on covered mortgage obligations, lease obligations, and utilities. • Certification from a representative of your business or organization that is authorized to certify that the documentation provided is true and that the amount that is being forgiven was used in accordance with the program’s guidelines for use.
QUESTION: What happens after the forgiveness period?
Answer: Any loan amounts not forgiven are carried forward as an ongoing loan with max terms of 10 years, at a maximum interest rate of 4%. Principal and interest will continue to be deferred, for a total of 6 months to a year after disbursement of the loan. The clock does not start again.
QUESTION: Can I get more than one PPP loan?
Answer: No, an entity is limited to one PPP loan. Each loan will be registered under a Taxpayer Identification Number at SBA to prevent multiple loans to the same entity.
QUESTION: Where should I go to get a PPP loan from?
Answer: All current SBA 7(a) lenders (see more about 7(a) here) are eligible lenders for PPP. The Department of Treasury will also be in charge of authorizing new lenders, including non-bank lenders, to help meet the needs of small business owners.

QUESTION: How does the PPP loan coordinate with SBA’s existing loans?

Answer: Borrowers may apply for PPP loans and other SBA financial assistance, including Economic Injury Disaster Loans (EIDLs), 7(a) loans, 504 loans, and microloans, and also receive investment capital from [Small Business Investment Corporations](#) (SBICs). However, you cannot use your PPP loan for the same purpose as your other SBA loan(s). For example, if you use your PPP to cover payroll for the 8-week covered period, you cannot use a different SBA loan product for payroll for those same costs in that period, although you could use it for payroll not during that period or for different workers.

QUESTION: How does the PPP loan work with the temporary Emergency Economic Injury Grants and the Small Business Debt Relief program?

Answer: [Emergency Economic Injury Grant](#) and Economic Injury Disaster Loan (EIDL) recipients and those who receive loan payment relief through the [Small Business Debt Relief Program](#) may apply for and take out a PPP loan as long as there is no duplication in the uses of funds. Refer to those sections for more information.

QUESTION:	My private non-profit is not a 501(c)(3). Is it still eligible for an EIDL and a grant?
Answer:	Yes, if you are a private non-profit with an effective ruling letter from the IRS, granting tax exemption under sections 501(c), (d), or (e) of the Internal Revenue Code of 1954, <u>or</u> if you can provide satisfactory evidence from the State that the non-revenue producing organization or entity is a non-profit one organized or doing business under State law. However, you cannot use your EIDL for the same purpose as your PPP loan. Small Business Tax Provisions

Employee Retention Credit for Employers Subject to Closure or Experiencing Economic Hardship

This provision would provide a refundable payroll tax credit for 50 percent of wages paid by eligible employers to certain employees during the COVID-19 crisis. The credit is available to employers, including non-profits, whose operations have been fully or partially suspended as a result of a government order limiting commerce, travel or group meetings. The credit is also provided to employers who have experienced a greater than 50 percent reduction in quarterly receipts, measured on a year-over-year basis.

Wages of employees who are furloughed or face reduced hours as a result of their employer's closure or economic hardship are eligible for the credit. For employers with 100 or fewer full-time employees, all employee wages are eligible, regardless of whether an employee is furloughed. The credit is provided for wages and compensation, including health benefits, and is provided for the first \$10,000 in wages and compensation paid by the employer to an eligible employee. Wages do not include those taken into account for purposes of the payroll credits for required paid sick leave or required paid family leave, nor for wages taken into account for the employer credit for paid family and medical leave (IRC sec. 45S).

- **The credit is not available to employers receiving assistance through the [Paycheck Protection Program](#). The credit is provided through December 31, 2020.**

Delay of Payment of Employer Payroll Taxes

This provision would allow taxpayers to defer paying the employer portion of certain payroll taxes through the end of 2020, with all 2020 deferred amounts due in two equal installments, one at the end of 2021, the other at the end of 2022. Payroll taxes that can be deferred include the employer portion of FICA taxes, the employer and employee representative portion of Railroad Retirement taxes (that are attributable to the employer FICA rate), and half of SECA tax liability.

- **Deferral is not provided to employers receiving assistance through the [Paycheck Protection Program](#).**

PAYCHECK PROTECTION PROGRAM (PPP) INFORMATION SHEET: BORROWERS

The Paycheck Protection Program (“PPP”) authorizes up to \$349 billion in forgivable loans to small businesses to pay their employees during the COVID-19 crisis. *All loan terms will be the same for everyone.*

The loan amounts will be forgiven as long as:

- The loan proceeds are used to cover payroll costs, and most mortgage interest, rent, and utility costs over the 8 week period after the loan is made; and
- Employee and compensation levels are maintained.

Payroll costs are capped at \$100,000 on an annualized basis for each employee. Due to likely high subscription, it is anticipated that not more than 25% of the forgiven amount may be for non-payroll costs.

Loan payments will be deferred for 6 months.

When can I apply?

- Starting April 3, 2020, small businesses and sole proprietorships can apply for and receive loans to cover their payroll and other certain expenses through existing SBA lenders.
- Starting April 10, 2020, independent contractors and self-employed individuals can apply for and receive loans to cover their payroll and other certain expenses through existing SBA lenders.
- Other regulated lenders will be available to make these loans as soon as they are approved and enrolled in the program.

Where can I apply? You can apply through any existing SBA lender or through any federally insured depository institution, federally insured credit union, and Farm Credit System institution that is participating. Other regulated lenders will be available to make these loans once they are approved and enrolled in the program. You should consult with your local lender as to whether it is participating. Visit www.sba.gov for a list of SBA lenders.

Who can apply? All businesses – including nonprofits, veterans organizations, Tribal business concerns, sole proprietorships, self-employed individuals, and independent contractors – with 500 or fewer employees can apply. Businesses in certain industries can have more than 500 employees if they meet applicable SBA employee-based size standards for those industries (click [HERE](#) for additional detail).

For this program, the SBA’s affiliation standards are waived for small businesses (1) in the hotel and food services industries (click [HERE](#) for NAICS code 72 to confirm); or (2) that are franchises in the SBA’s Franchise Directory (click [HERE](#) to check); or (3) that receive financial assistance from small business investment companies licensed by the SBA. Additional guidance may be released as appropriate.

What do I need to apply? You will need to complete the Paycheck Protection Program loan application and submit the application with the required documentation to an approved lender that is available to process your application by June 30, 2020. Click [HERE](#) for the application.

What other documents will I need to include in my application? You will need to provide your lender with payroll documentation.

Do I need to first look for other funds before applying to this program? No. We are waiving the usual SBA requirement that you try to obtain some or all of the loan funds from other sources (i.e., we are waiving the Credit Elsewhere requirement).

How long will this program last? Although the program is open until June 30, 2020, we encourage you to apply as quickly as you can because there is a funding cap and lenders need time to process your loan.

How many loans can I take out under this program? Only one.

What can I use these loans for? You should use the proceeds from these loans on your:

- Payroll costs, including benefits;
- Interest on mortgage obligations, incurred before February 15, 2020;
- Rent, under lease agreements in force before February 15, 2020; and
- Utilities, for which service began before February 15, 2020.

What counts as payroll costs? Payroll costs include:

- Salary, wages, commissions, or tips (capped at \$100,000 on an annualized basis for each employee);
- Employee benefits including costs for vacation, parental, family, medical, or sick leave; allowance for separation or dismissal; payments required for the provisions of group health care benefits including insurance premiums; and payment of any retirement benefit;
- State and local taxes assessed on compensation; and
- For a sole proprietor or independent contractor: wages, commissions, income, or net earnings from self-employment, capped at \$100,000 on an annualized basis for each employee.

How large can my loan be? Loans can be for up to two months of your average monthly payroll costs from the last year plus an additional 25% of that amount. That amount is subject to a \$10 million cap. If you are a seasonal or new business, you will use different applicable time periods for your calculation. Payroll costs will be capped at \$100,000 annualized for each employee.

How much of my loan will be forgiven? You will owe money when your loan is due if you use the loan amount for anything other than payroll costs, mortgage interest, rent, and utilities payments over the 8 weeks after getting the loan. Due to likely high subscription, it is anticipated that not more than 25% of the forgiven amount may be for non-payroll costs.

You will also owe money if you do not maintain your staff and payroll.

- Number of Staff: Your loan forgiveness will be reduced if you decrease your full-time employee headcount.
- Level of Payroll: Your loan forgiveness will also be reduced if you decrease salaries and wages by more than 25% for any employee that made less than \$100,000 annualized in 2019.
- Re-Hiring: You have until June 30, 2020 to restore your full-time employment and salary levels for any changes made between February 15, 2020 and April 26, 2020.

How can I request loan forgiveness? You can submit a request to the lender that is servicing the loan. The request will include documents that verify the number of full-time equivalent employees and pay rates, as well as the payments on eligible mortgage, lease, and utility obligations. You must certify that the documents are true and that you used the forgiveness amount to keep employees and make eligible mortgage interest, rent, and utility payments. The lender must make a decision on the forgiveness within 60 days.

What is my interest rate? 0.50% fixed rate.

When do I need to start paying interest on my loan? All payments are deferred for 6 months; however, interest will continue to accrue over this period.

When is my loan due? In 2 years.

Can I pay my loan earlier than 2 years? Yes. There are no prepayment penalties or fees.

Do I need to pledge any collateral for these loans? No. No collateral is required.

Do I need to personally guarantee this loan? No. There is no personal guarantee requirement. ***However, if the proceeds are used for fraudulent purposes, the U.S. government will pursue criminal charges against you.***

What do I need to certify? As part of your application, you need to certify in good faith that:

- Current economic uncertainty makes the loan necessary to support your ongoing operations.
- The funds will be used to retain workers and maintain payroll or to make mortgage, lease, and utility payments.
- You have not and will not receive another loan under this program.
- You will provide to the lender documentation that verifies the number of full-time equivalent employees on payroll and the dollar amounts of payroll costs, covered mortgage interest payments, covered rent payments, and covered utilities for the eight weeks after getting this loan.
- Loan forgiveness will be provided for the sum of documented payroll costs, covered mortgage interest payments, covered rent payments, and covered utilities. Due to likely high subscription, it is anticipated that not more than 25% of the forgiven amount may be for non-payroll costs.
- All the information you provided in your application and in all supporting documents and forms is true and accurate. Knowingly making a false statement to get a loan under this program is punishable by law.

- You acknowledge that the lender will calculate the eligible loan amount using the tax documents you submitted. You affirm that the tax documents are identical to those you submitted to the IRS. And you also understand, acknowledge, and agree that the lender can share the tax information with the SBA's authorized representatives, including authorized representatives of the SBA Office of Inspector General, for the purpose of compliance with SBA Loan Program Requirements and all SBA reviews.

FACT SHEET: EXPANSION OF THE ACCELERATED AND ADVANCE PAYMENTS PROGRAM FOR PROVIDERS AND SUPPLIERS DURING COVID-19 EMERGENCY

In order to increase cash flow to providers of services and suppliers impacted by the 2019 Novel Coronavirus (COVID-19) pandemic, the Centers for Medicare & Medicaid Services (CMS) has expanded our current Accelerated and Advance Payment Program to a broader group of Medicare Part A providers and Part B suppliers. The expansion of this program is only for the duration of the public health emergency. Details on the eligibility, and the request process are outlined below. The information below reflects the passage of the CARES Act (P.L. 116-136).

Accelerated/Advance Payments

An accelerated/advance payment is a payment intended to provide necessary funds when there is a disruption in claims submission and/or claims processing. These expedited payments can also be offered in circumstances such as national emergencies, or natural disasters in order to accelerate cash flow to the impacted health care providers and suppliers. CMS is authorized to provide accelerated or advance payments during the period of the public health emergency to any Medicare provider/supplier who submits a request to the appropriate Medicare Administrative Contractor (MAC) and meets the required qualifications.

Eligibility & Process

- **Eligibility:** To qualify for advance/accelerated payments the provider/supplier must:
 1. Have billed Medicare for claims within 180 days immediately prior to the date of signature on the provider's/supplier's request form,
 2. Not be in bankruptcy,
 3. Not be under active medical review or program integrity investigation, and
 4. Not have any outstanding delinquent Medicare overpayments.
- **Amount of Payment:** Qualified providers/suppliers will be asked to request a specific amount using an Accelerated or Advance Payment Request form provided on each MAC's website. Most providers and suppliers will be able to request up to 100% of the Medicare payment amount for a three-month period. Inpatient acute care hospitals, children's hospitals, and certain cancer hospitals are able to request up to 100% of the Medicare payment amount for a six-month period. Critical access hospitals (CAH) can request up to 125% of their payment amount for a six-month period.
- **Processing Time:** Each MAC will work to review and issue payments within seven (7) calendar days of receiving the request.
- **Repayment:** CMS has extended the repayment of these accelerated/advance payments to begin 120 days after the date of issuance of the payment. The repayment timeline is broken out by provider type below:

- Inpatient acute care hospitals, children’s hospitals, certain cancer hospitals, and Critical Access Hospitals (CAH) have up to one year from the date the accelerated payment was made to repay the balance.
- All other Part A providers and Part B suppliers will have 210 days from the date of the accelerated or advance payment was made to repay the balance.

The payments will be recovered according to the process described in number 7 below.

- ***Recoupment and Reconciliation:***

- The provider/supplier can continue to submit claims as usual after the issuance of the accelerated or advance payment; however, recoupment will not begin for 120 days. Providers/ suppliers will receive full payments for their claims during the 120-day delay period. At the end of the 120-day period, the recoupment process will begin and every claim submitted by the provider/supplier will be offset from the new claims to repay the accelerated/advanced payment. Thus, instead of receiving payment for newly submitted claims, the provider’s/supplier’s outstanding accelerated/advance payment balance is reduced by the claim payment amount. This process is automatic.
- The majority of hospitals including inpatient acute care hospitals, children’s hospitals, certain cancer hospitals, and critical access hospitals will have up to one year from the date the accelerated payment was made to repay the balance. That means after one year from the accelerated payment, the MACs will perform a manual check to determine if there is a balance remaining, and if so, the MACs will send a request for repayment of the remaining balance, which is collected by direct payment. All other Part A providers not listed above and Part B suppliers will have up to 210 days for the reconciliation process to begin.
- For the small subset of Part A providers who receive Period Interim Payment (PIP), the accelerated payment reconciliation process will happen at the final cost report process (180 days after the fiscal year closes).

A step by step application guide can be found below. More information on this process will also be available on your MAC’s website.

Step-by-Step Guide on How to Request Accelerated or Advance Payment

1. ***Complete and submit a request form:*** Accelerated/Advance Payment Request forms vary by contractor and can be found on each individual MAC’s website. Complete an Accelerated/Advance Payment Request form and submit it to your servicing MAC via mail or email. CMS has established COVID-19 hotlines at each MAC that are operational Monday – Friday to assist you with accelerated payment requests. You can contact the MAC that services your geographic area. To locate your designated MAC, refer to <https://www.cms.gov/Medicare/Medicare-Contracting/Medicare-Administrative-Contractors/Downloads/MACs-by-State-June-2019.pdf>.

 - i. Legal Business Name/ Legal Name;
 - ii. Correspondence Address;
 - iii. National Provider Identifier (NPI);
 - iv. Other information as required by the MAC.
 - b. Amount requested based on your need:
 - i. Most providers and suppliers will be able to request up to 100% of the Medicare payment amount for a three-month period. However, inpatient acute care hospitals, children’s hospitals, and certain cancer hospitals are able to request up to 100% of the Medicare payment amount for a six-month period. Critical access hospitals (CAH) can now request up to 125% of their payment amount for a six-month period.
 - c. Reason for request:
 - i. Please check box 2 (“Delay in provider/supplier billing process of an isolated temporary nature beyond the provider’s/supplier’s normal billing cycle and not attributable to other third party payers or private patients.”); and
 - ii. State that the request is for an accelerated/advance payment due to the COVID-19 pandemic.
3. ***Who must sign the request form?*** The form must be signed by an authorized representative of the provider/supplier.
4. ***How to submit the request form:*** While electronic submission will significantly reduce the processing time, requests can be submitted to the appropriate MAC by fax, email, or mail. You can also contact the MAC provider/supplier helplines listed above.

5. ***What review does the MAC perform?*** Requests for accelerated/advance payments will be reviewed by the provider or supplier's servicing MAC. The MAC will perform a validation of the following eligibility criteria:

 - Is not in bankruptcy,
 - Is not under active medical review or program integrity investigation,
 - Does not have any outstanding delinquent Medicare overpayments.

6. ***When should you expect payment?*** The MAC will notify the provider/supplier as to whether the request is approved or denied via email or mail (based on the provider's/supplier's preference). If the request is approved, the payment will be issued by the MAC within 7 calendar days from the request.

7. ***When will the provider/supplier be required to begin repayment of the accelerated/advanced payments?*** Accelerated/advance payments will be recovered from the receiving provider or supplier by one of two methods:
 - For the small subset of Part A providers who receive Period Interim Payment (PIP), the accelerated payment will be included in the reconciliation and settlement of the final cost report.
 - All other providers and suppliers will begin repayment of the accelerated/advance payment 120 calendar days after payment is issued.

8. ***Do provider/suppliers have any appeal rights?*** Providers/suppliers do not have administrative appeal rights related to these payments. However, administrative appeal rights would apply to the extent CMS issued overpayment determinations to recover any unpaid balances on accelerated or advance payments.
