# PSS MONTHLY WEBINARS 2023

DATE		TITLE	DESCRIPTION	PRESENTER	CE
JAN 30	20 Min.	<b>2023 ASC Quality Reporting Update</b>	CMS requirements and quality reporting can be challenging for perioperative leaders in the ASC setting. Participants will receive current information on the quality program with updates on the 2023 final rule, what reporting is required, and the definitions/frequently asked questions for the indicators.	<b>Gina Throneberry</b> RN, MBA, CASC, CNOR ASC Association	
FEB 24	60 Min.	<b>Streamlining Communication from Clinic to ASC</b>	Effective healthcare communication must be ongoing, transparent, patient-centered, concise, and relevant. Establishing these best practices between a surgeon's clinic and the ASC supports improved patient outcomes. However, it can be difficult between separate clinical settings. With patient safety and satisfaction on the line, as well as ASC and surgeon reputation and profitability, this webinar will provide a framework for the implementation of effective Clinic/ASC intercommunication.	<b>Apryl McElheny</b> MBA, MSN, RN, CASC, CIC PSS	RN CASC
MAR 27	20 Min.	<b>ASC Budgeting</b>	ASCs are required by Medicare to have a budget. While not necessarily involved in day-to-day operations, the governing body is ultimately responsible for the overall quality of service. Numbers tell a story. Fiscal control and financial oversight are a primary point of scrutiny for surveyors. The financial health of an ASC can be a direct reflection of quality of care. In this webinar, learn the basics of budgeting and best practices for holding your ASC accountable financially.	<b>Nancy Stephens</b> PSS	
APR 27-28		<b>No Webinar</b>	 Join us in Dallas for the 2-day event! <a href="http://www.ascnurseleadership.com">www.ascnurseleadership.com</a>		
MAY 22	20 Min.	<b>Nursing Scope of Practice</b>	Have you ever felt uncomfortable doing a nursing task that you did not feel qualified to do? Do you know the full scope of your RN license? After this webinar, you will be able to define the RN scope of practice in the ASC setting, understand the role of the circulating RN and ensure your staff is functioning within their roles and responsibilities.	<b>Debra Stinchcomb</b> MBA, BSN, RN, CASC PSS	
JUN 29	60 Min.	<b>USP &lt;797&gt;: What you Need to Know</b>	The USP has announced that new standards will take effect on November 1, 2023. Implementation of the new USP <797> will also trigger the enforcement of USP <800> Hazardous Drugs – Handling in Healthcare Settings. In this webinar, we will cover changes to the immediate use provision, frequent misinterpretations, and best practices. We will provide an overview of USP <800>, common examples included in the standard, as well as best practices for compliance.	<b>Tiffany An, PharmD</b> ASC Pharmacist Consultants	RN CASC
